

## Join Dùthchas Arainn CBS: Founding Member Share Offer!

Help shape Arran's future by becoming a member of our Community Benefit Society. We aim to empower local residents and supporters to take action in safeguarding our island's natural and cultural resources.

Basic Membership	
<b>£10</b> Minimum investment (= 10 shares)	Additional shares available in £10 blocks

If you've already completed a membership application form, this share offer is the next step in formally establishing your membership. This is our first share offer, focused on establishing membership and supporting initial development work and running costs. Future share offers will be released for specific projects as they develop.

Our pilot project at Glen Cloy will develop a prototype for community-led woodland crofting, demonstrating how communities across Arran can sustainably manage our local woodlands. The project includes community consultation and engagement, archaeological and ecological surveys, sustainable forestry planning, water management studies, heritage preservation.

Invest in our pilot project in GlenCloy		
<b>£50</b> (= 50 shares)	<b>£100</b> (= 100 shares)	<b>£500</b> (= 500 shares)

As a Community Benefit Society, all profits are reinvested for community benefit. Shares are withdrawable subject to society rules.

### All members receive:

- Digital share certificate
- Membership card
- One vote regardless of investment size
- Updates on project progress
- Invitation to member events
- Priority notification of future project-specific share offers

### Available to:

- Community Members (KA27 residents)
- Supporter Members (non-residents)

Join us at our upcoming village hall meetings to learn more about our plans and future investment opportunities. **Email [info@duthchas.scot](mailto:info@duthchas.scot) for more information.**
